

## “SAY YES TO OUR FUTURE” YOUTH ENRICHMENT SCHOLARSHIP

Healing Families Together is seeking support for a brand new initiative that will empower youth through martial arts & character development. Donations made to the Youth Enrichment Scholarship Fund will ensure accessibility and sustainability in a program pairing martial arts training through ROC Martial Arts Academy with character building through the proven methods of the Trait-Based Prevention Program.

Empowering youth through Martial Arts & Character Development is an innovative program designed to proactively address risk factors by reinforcing traits such as responsibility, discipline, goal-setting, and emotional regulation of the Trait-Based Prevention Program while martial arts training at ROC Martial Arts Academy equips the students with self-defense skills, confidence, and a strong moral foundation.

- 12-month curriculum

- Classes available Monday-Friday
